

## **Missionary Report – ASI Mission 2000 & Beyond – Impact Villavicencio Gratitude and Acknowledgement**

We begin by saying THANK YOU for your fervent prayers and support while we were out on the mission field. Truly, the battlefield was raging; we saw the devil's hand attempting to thwart God's plan. Yet, thanks be to God, we leaned on that Solid Rock, Christ Jesus, and He prevailed.

### 2025 Missionary Impacts

This year, ASI – Mission 2000 & Beyond embarked on two major missionary impacts for the honour and glory of God:

1. Impact Ohio, USA – *52 souls*
2. Impact Villavicencio-Bogotá, Colombia – *161 souls*

➤ A total of 213 souls reached for Christ

I had the privilege of serving in Impact Villavicencio, where 96 campers from across the Caribbean were divided into 11 evangelistic sites, where we attended nightly, and two rehabilitation centers that were ministered to every morning.

We actively participated in various initiatives to enrich the program. Personally, I was involved in ...

### Highlights from Bogotá and Villavicencio

The highlight or one of the most moving experiences was ministering at two of the rehabilitation centers for men. There, scores of them surrendered their lives to Christ. They were fed daily with spiritual food before their physical food, and we witnessed firsthand the destructive power of drugs across generations and social classes.

Among the testimonies were heartbreaking stories of:

- Two lawyers, an architect, several teachers, and other professionals ruined by marijuana, crack cocaine, ether, and deadly mixtures.
- Yet, by God's grace, chains were broken, and lives were restored through the gospel!

A gang leader also surrendered his life to Jesus Christ. We hereby request prayers for him, as his new walk with Christ will not be easy, but he has decided to cast his lot on the Lord's side.

A Loaf of Love was another beautiful initiative which touched lives in unexpected ways, for a simple loaf of bread became an instrument of salvation when a mother and daughter from the streets gave their lives to Christ after experiencing this gesture of love.

By God's grace, we are hereby committed to continue assisting, especially with the plan of establishing two Centers of Influence. These will serve as:

- Worship spaces for new members exiting the rehabilitation centers.
- Industries of support where they can gain skills, find work, and sustain themselves financially.

### Appeal

Friends, the harvest is plentiful, but the laborers and resources are few. We appeal to you to continue giving sacrificially—through your prayers, time, and financial support—as we seek to impact communities here in our country and beyond.

Every loaf of love, every soul saved, and every hand lifted in surrender to Christ is fruit to your account.

Together, let us press forward in faith, for the glory of God and the salvation of humanity.
